

Introduction to 2026 Edition

New York Motions in Limine, is devoted to New York “in limine” motions. It includes critical evidence motions that, if granted, can end a case early and covers topics such as excluding expert opinions, scientific tests, and improper discovery.

Highlights

- Updated case law throughout
- New sample motion to exclude matters not in controversy - § 3:34
- New sample motion to exclude expert testimony on grounds that it is not the product of reliable principles and methods - § 5:63
- New sample motion to exclude improper expert opinion (usurps jury function) - § 8:108
- New sample motion to exclude improper terminology - § 9:63
- New sample motion to exclude evidence of failure to properly secure child in child safety seat - § 10:226

Thank you for subscribing to *New York Motions in Limine*. Each year we make every effort to include new citations to evidence cases, particularly matters of first impression that have occurred during the past year. We hope that you find this book an invaluable tool for your practice.
